

Holding someone else's money?

Every year, millions of dollars are left unclaimed by BC residents. These forgotten wages and closed pension plans (and more) can sit on a company's books for years.

At the BC Unclaimed Property Society, we work with companies like yours to put this money back into the hands of its rightful owners.

For more information, go to: www.unclaimedpropertybc.ca

The BC Unclaimed Property Society was created by the Province of BC in 2003 and is administered by Vancouver Foundation
